

Rail Trail Committee

Minutes for the March 13, 2006 Meeting

8:00 pm

Attendees

Joe Geller

Frank Bodengraven

Gregg Demers

Jim MacDougall

David Smith, Associate

Reports

Now that we are close to closure on the agreement phase of the our effort, we discussed ways to move ahead on design and management.

We need to acquire a model plan from MBTA to use as a template for our design and implementation of the plan.

A list of abutters has been compiled. It needs to be checked and kept up to date.

Joe reported that the potential salvage value of the rails may be \$200 per ton. There is also a firm that will salvage the rail and prepare the bed for the value of the rails.

New Business

John Hendrickson will present to the committee during its April meeting.

Action Items

Gregg D. motioned to recommend to the Selectmen to sign the most recent version of the MBTA lease dated 3/13/2006. Second by Frank B. with unanimous favorable vote.

Meeting Adjourned: 9:35 pm
